

National Drinking Water Week Open House Celebration

Saturday, April 29

10:00 a.m. to 2:00 p.m.

Tussahaw Water Treatment Facility

199 Preservation Drive, Jackson, GA 30233

(We are located off Hwy 81 E. /Keys Ferry/Stroud/Preservation Drive.)

In honor of National Drinking Water Week the Henry County Water Authority will be hosting an open house at its Tussahaw Water Treatment Facility. Admission is free.

Plant tours, educational information, and lunch will be provided. We also will have displays from various HCWA departments and partners, as well as various businesses and public services that depend on our supply of potable water. Painted rain barrels will be on display from local high school students, depicting water conservation.

For more information, including directions to the Tussahaw Water Treatment Facility, contact the HCWA at 770-957-1380, or log onto the Authority's Web site at www.hcwa.com
